

WELCOME TO MUSIC ARTS SCHOOL!

We hope you thoroughly enjoy studying music with us. Please take a moment to read this information sheet about our school.

YOUR LESSON

You will receive a weekly lesson in your instrument. In order to get the most from your lesson, we recommend that you practise for at least 2-3 hours per week. Your teacher will help guide you in class and will record exercises and pieces for you to practise at home in your **Student Progress Book**.

ATTENDANCE

Your teacher will be available to teach you each week. If you cannot attend a lesson, please inform your teacher as soon as possible (not less than four hours before the lesson) so that he/she can try to reschedule it. Teachers will do their best to reschedule missed lessons, but please note that this will depend on their availability and the availability of classrooms.

SERVICES

In addition to your lesson, you will be invited to many **concerts** and **masterclasses** throughout the year. Music Arts School regularly hosts renowned musicians from all over the world. **MAS Student Concerts** normally take place on the first Friday of each month at 5:30pm. All students, including beginners, are encouraged to perform at these concerts or simply enjoy the music from the audience. Please ensure we have your email address and join us on Facebook so you will receive up-to-date information about events.

Practice rooms and **instruments** are available free of charge to students, and our **Band Room** is available at a discounted rate. **Wi-Fi** is freely available throughout the school. When not studying or practising, you can enjoy a refreshing drink or snack from our **Café**. **Strings** for guitar and violin are available for purchase.

FEES

Fees are payable **before** the first lesson of each month. You will receive an average of four lessons per month. Discounts are available for paying three months in advance. Please note that fees are non-refundable.

SCHOOL CLOSURES

Please check our noticeboard and website for School Closures. Lessons missed due to school closure will not be made up. However, MAS often offers reduced rates for months with several days' closure.
